

Dear Family,

This week _____ will learn about pets. Using the topic “I Love Animals,” we will read stories about pets and the experiences the pet owners have had with them. You can help your child learn more by talking with her/him about the things he/she is doing at school and the new letters and words that he/she is learning. Here are some ways that you can work with your child at home.

Think Talk &

- What did you read today?
- What was the story about?
- What did you make today?
- Do you think _____ would be/is a good pet for us? Why?

Home Activities

Ff Animal Poster

Draw a picture of a fish on a large piece of drawing paper. Tell your child that the word *fish* begins with the letter *f*. Children can decorate the poster by adding pictures of animals whose names begin with *f*, such as a frog or a fox.

Books About Pets

Your child will listen to the story “The Greedy Cat.” Ask her/him to talk about how he/she feels about the cat that always wanted more. Read other books about pets with your child. Discuss what the pets in the stories are like.
