

Dear Family,

This week _____ will learn about the city. Using the topic “The Busy, Busy City,” we will read stories about what it is like to live in the city and how people get around there. You can help your child learn more by talking with her/him about the things he/she is doing at school and the new letters and words that he/she is learning. Here are some ways that you can work with your child at home.

Think Talk &

- What did you learn about the city today?
- What do you think it is like to ride in a subway?
- What other ways do people get around in a city?

Home Activities

Qq Hunt

Look at magazine and newspaper headlines with your child. Circle the words that begin with capital *Q* and small *q*. Count the number of letters you find.

City Books

Children will listen to a story titled “City Mouse and Country Mouse” this week. Ask your child to tell what happens when the country mouse visits the city. Read other books about the city with your child. Discuss what your child sees in the illustrations.

What I Learned
