

Dear Family,

This week _____ will learn about movement. Using the topic "Move with Me," we will read stories about the different ways we move, such as running, skipping, sliding, and jumping. You can help your child learn more by talking with her/him about the things he/she is doing at school and the new letters and words that he/she is learning. Here are some ways that you can work with your child at home.

Think & Talk

- What did you read today?
- How did the characters in the story move?
- What happened when the characters moved?
- What is one way you like to move?

Home Activities

Jumping Jack or Jill

Make a stick puppet. Tell your child that the figure is *Jumping Jack* or *Jumping Jill* and that he/she likes the letters *Jj*. Look for *Jjs* in newspaper and magazine headlines with your child. Have her/him make the puppet "jump" each time he/she sees *Jj*.

"The Gingerbread Man"

Your child will listen to the story "The Gingerbread Man." Ask him/her to talk about the story and name the characters that try to catch the gingerbread man. Share other versions of this story with your child.

What I Learned

Here is a note from your child and her/his teacher.
