

Dear Family,

This week _____ will learn more about movement. Using the topic "Follow the Leader," we will read stories about following directions and solving problems. You can help your child learn more by talking with her/him about the things he/she is doing at school and the new letters and words that he/she is learning. Here are some ways that you can work with your child at home.

Think Talk &

- What did you read today?
- What was the story about?
- What was your favorite part of the story?
- How did the characters in the story move?

Home Activities

Ii Poster

Look for *Ii* in newspaper and magazine headlines with your child. Cut out the letters and glue them to a large piece of paper. Encourage your child to circle capital *I* with a red crayon and small *i* with a green crayon.

Reading Together

Your child will listen to the book *Do Like a Duck Does!* this week. Ask her/him to tell what a duck does, such as quacks, waddles, and swims. Read other books about ducks, or play movement games, such as "Follow the Leader" with your child.

What I Learned

Here is a note from your child and her/his teacher.
