

**Spelling
Game****Rhyme Time****Players:** 2–3**You need:** One set of word and picture cards from page 65 (copy, mount on tagboard, and cut out)**How to play:** Shuffle the cards and place them face-down on a table or desk. Tell children that some cards have spelling words written on them. Explain that other cards have pictures of words that rhyme with spelling words.

1. The first player turns over two cards and says the word that is shown or written on each.
2. If one card shows a spelling word and the other card shows a picture of a word that rhymes with it, the player spells aloud the two words and keeps the cards.
3. If the cards do not match or if the spellings are incorrect, the player puts back the cards and the next player takes a turn.
4. Players take turns selecting cards until all of them have been matched. The player with the most matches wins.

Other ways to play this game: Challenge children to think of and spell an additional rhyming word to earn a bonus point.
