Players: 5 or more, a caller

You need: list of Unit 11 Basic Words

How to play: The players sit in a circle.

1. The caller looks at the word list, chooses a word, and calls it out. Then he or she begins walking around the outside of the circle.
2. When the caller stops behind a player and taps him or her, that player must spell the caller's word.
3. If the player spells the word correctly, he or she changes places with the caller and calls out another word. If the player does not spell the word correctly, the caller taps another player, who has a chance to spell the word.
