Game**

# Spelling Hot Potato

**Players:** 5–8

**You need:** beanbag, chalkboard, chalk

**How to play:** Print the Unit 15 words on the chalkboard. Sit in a circle facing away from the board.

1. The first player tosses the beanbag to another player and calls out a Unit 15 word. The player who catches the beanbag must spell the word without peeking at the board.
2. If the word is spelled correctly, that player tosses the beanbag to a different player and calls out another Spelling Word. Players should pretend that the beanbag is a hot potato and try to pass it quickly.

If a player does not spell a word correctly, he or she tosses the beanbag back to the person who threw it and leaves the circle. The last player left in the circle starts the next round.
