

Spelling Game

Match!

Players: 2

You need: 24 blank cards

How to play: Each player makes one set of word cards by writing each Unit 17 Basic Word on a card. Shuffle your set of cards, and place them face down in front of you.

1. Both players turn over their top card at the same time. The cards are placed face up, and players look to see if they are a homophone pair.
2. If the words are homophones, the first player to say “Match!” spells each word and uses it in a sentence. If the spellings and sentences are correct, that player keeps the cards.
3. Players keep turning over cards one at a time. Remember that words that are exactly the same, such as **meet** and **meet**, are not a match. The words must be homophones, such as **meat** and **meet**.

The player who collects the most cards is the winner.
