

Spelling Game

Three in a Row!

Players: 2 or more, plus a caller

You need: game boards, 9 pennies (or other type of markers) per player, list of Unit 2 Basic Words

How to play: Players each draw a tick-tack-toe board with nine spaces. Every player chooses nine different Basic Words and writes one in each space, leaving blanks for the vowels. For example, the word **spot** might look like this:
sp _ _ t.

1. The caller chooses and says a word from the Unit 2 word list. Players look on their game boards, find the word, and write the missing vowel. Then they cover the space with a penny.
2. The first player to have three pennies in a row (down, across, or on a slant), calls out, "Three in a row!" The caller checks the player's game board to be sure the words are spelled correctly. The game ends when each player has three in a row.
