Game****Spell and Toss**

Players: 2–3, plus a caller

You need: wastebasket, beanbag, chalkboard, chalk, list of Unit 21
Basic Words

How to play: Place the wastebasket about 4 feet from the chalkboard. Each player writes his or her name on the board, side by side. The players stand with their backs to the board in front of their names.

1. The caller says a word from the word list.
2. Player 1 tries to toss the beanbag into the basket. If it goes in, Player 1 writes the first letter of the word below his or her name on the board.
3. Players take turns tossing the beanbag and naming letters until one player has written the whole word. Then the caller chooses and says a new word.
4. The game ends when all the words have been spelled. The player with the most correctly spelled words under his or her name is the winner.
