Spelling Relay

Players: 2 or more teams of 4, plus a caller

You need: chalkboard, chalk, list of Unit 22 Basic Words

How to play: Draw lines on the chalkboard to make a separate writing area for each team. Line up in teams about 4 feet from the board. The first player in each line should have a piece of chalk.

1. The caller chooses and says a Spelling Word and then says, "Begin!" The first player on each team goes to the board and writes the first letter of the word. He or she goes back to the line and hands the chalk to the next player. That player goes to the board and writes the second letter.
2. Each player goes to the end of the line after handing the chalk to the next player.
3. The first team to finish the word and spell it correctly wins that round. The team with the most correctly spelled words wins the whole game.
