

Spelling Game

Ow! Bingo

Players: 3 or more, plus a caller

You need: copy of the game card for each player, pencils, list of Unit 23 Basic Words

How to play: Write one Basic Word in each square on your copy of the game card. Leave two blank spaces in each word where you hear the vowel sound. For example, write **h__se** for **house**. Use all twelve Basic Words.

1. The caller chooses and says a Spelling Word. The other players find that word on their card and finish writing it, adding the missing vowel pair **ow** or **ou**.
2. The caller calls out more words until one player has filled in the words in a row of four boxes. The row can go across, down, or on a slant.
3. The caller checks the words. If the words are spelled correctly, that player wins and becomes the next caller.
4. Players make a new game card for each new game.
