Game****Partner Words**

**Players:** 12–24

**You need:** blank cards, marker, list of Unit 25 Basic Words

**How to play:** Make word cards by writing each part of a Unit 25 compound word on a separate index card. Give each player one word card.

1. Players read their word silently to themselves.
2. Players begin moving around the room silently, looking at and reading each other's cards. When a player can combine his or her card with that of another player to make a compound word that is a Spelling Word, the players sit down side-by-side.
3. Play continues until all the word cards have been combined. Pairs of players can take turns sharing their compound words by standing with the cards placed together and reading the word parts.

**Other ways to play this game:** Two players can use the cards to play Concentration. The player who makes the most compound word matches wins the game.
