Amazing “e”

Players: 2

You need: 14 blank cards, paper, pencils

How to play: Make a word card for each of these words: tap, fin, tub, rob, cap, slid, kit, hop, can, fan, tab, rib, cup, and sled.

1. One player shuffles the cards and places them in a pile, face down on a table or a desk.
2. The first player takes the top card from the pile, turns it over, and reads the word. If e can be added at the end of the word to make a new word with a long vowel sound, the player says, “I add an amazing e to make the word ______,” and writes the word on his or her paper.
3. The game ends when all the cards have been turned over. The player who has the longest list of words is the winner.
