Go Spell

Players: 2 players

You need: 2 pencils, 28 index cards, Unit 10 Basic Word list

How to play: Write each Basic Word from Unit 10 on two index cards. Mix up all the cards and place them face-down on a table.

• Each player takes five cards from the pile. Players set down any matching pairs, taking turns saying and spelling the word in each pair. Then players set the pairs aside.
• Players try to make more pairs. Player 1 asks Player 2 for a matching word by spelling the word: “Do you have c-l-o-u-d?”
• If Player 2 has the word, he or she gives the card to Player 1.
• If Player 2 does not have the word, he or she says “Go Spell” and Player 1 takes another card from the pile.
• Play continues until one Player is out of cards.
