Spelling Tag

Players: 4 or more, a caller

You need: Unit 15 Basic Word list

How to play: Stand in a circle. Choose a caller to go first.

1. The caller looks at the spelling list, calls out a word, and starts walking around the outside of the circle.
2. When the caller stops behind a player and tags him or her on the shoulder, the player must spell the word.
3. If the player spells the word correctly, he or she changes places with the caller, takes the list, and calls out a new word. If the next tagged player spells the word incorrectly, she or he sits down. The caller then tags another player, who has a chance to spell the same word.
4. Play continues until all the words have been spelled correctly and each player has had a chance to be the caller.
