

Spelling Game

Speedy Sentences

Players: 3–5, a caller

You need: pencil and paper for each player, watch or clock with a second hand, list of Unit 2 Basic Words

How to play: Players take turns being the caller. The caller stands in front of the board with the Basic Word list. He or she says a word from the list, writes it on the board, and then says “go.”

1. As the caller watches the clock, each player writes a sentence. The first letter of the words in the sentence must spell the Basic Word on the board.

Example: *save Snakes are very excited.*

2. After one minute, the caller announces “time’s up.” Players share their sentences.

3. The caller checks the sentences. Each player with a sentence that correctly spells the Basic Word gets 1 point.

4. The first player to reach 5 points wins.
