Game****Spelling Relay**

Players: 4–6, a caller

You need: chalk and chalkboard (or markers and chart paper), a list of Unit 26 Basic Words

How to play: Players take turns being the caller. Players are divided into two teams. Each team forms a line and faces the chalkboard. The caller reads aloud a Unit 26 Basic Word and then says, “Go.” Player 1 from each team goes to the chalkboard, writes the word, and returns to the back of the line. The caller then checks their spellings. Two points are awarded for words that are spelled correctly. For a misspelled word, Player 2 on that team is given the chance to try again. One point is awarded for words that are spelled correctly on the second try. Play continues until all of the words have been called.
