

Spelling Game

Scrambled Hands

Players: 2

You need: paper, pencils, coin, list of Unit 36 Spelling Words

How to play: Trace your hand on a sheet of paper. Choose one word from each of the five units reviewed in Unit 36. Write each word in scrambled letters on one of the five fingers. Flip a coin to see who goes first. Follow these steps:

- Player 1 points to a finger on the hand that he or she drew. Player 2 has thirty seconds to unscramble the word written on that finger and write it on the palm of that hand.
- If Player 2 writes the word correctly, he or she gets another chance to unscramble one of Player 1's words. If Player 2 cannot unscramble the word, Player 1 and Player 2 switch.
- The first player to unscramble all five words wins.
