Scramble****Players:** 4–5**You need:** 20 envelopes, scissors, paper, pencils, list of Unit 10 Basic Words**How to play:** Players unscramble Basic Words.

- Write the Basic Words on a sheet of paper. Cut out the words, and then cut the words into separate letters. Place the letters for each word in a separate envelope.
- To begin the game, set an appropriate time limit. Then each player chooses an envelope. Players work at the same time to unscramble the letters in the envelope and arrange them to make a Basic Word. After writing the word on a sheet of paper, each player checks the word list to make sure the word is spelled correctly.
- The player then selects another envelope. The player who unscrambles the most words correctly in the set time wins the game.
