Letter Pairs

Players: 2 teams of 2 students, plus a caller

You need: paper, pencils, list of Unit 15 Basic Words

How to play: Team members take turns in contributing pairs of letters to spell a word.

1. The caller calls out a word from the Basic Words list.
2. Teams decide which member will begin the first word. Player 1 writes on a piece of paper the first pair of letters that spell the word. Then Player 2 adds the next two letters. Team members take turns writing pairs of letters, in order, to spell the entire word. (If a word has an odd number of letters, the final player will add only one letter.) Teams raise their hands when they have completed the word.
3. The team whose members raise their hands first and spell the word correctly receives 10 points. The caller checks the spelling.
4. Play continues until a team reaches 100 points.
