

Spelling Game

Finish That Word

Players: 2

You need: paper, pencils, list of Unit 19 Basic Words

How to play: Players identify and spell Basic Words.

Players decide who will go first. Player 1 picks a word from the word list and slowly begins to spell it, one letter at a time. As soon as Player 2 recognizes the word, he or she says it and then spells it. Player 1 checks the spelling. Players continue starting to spell and guessing each word.

Each player earns 3 points for identifying a word and spelling it correctly. A player loses 2 points for incorrectly identifying the word or incorrectly spelling it.

Play continues until all words have been used. The player with the most points wins the game.
