

Spelling Game

Double Up

Players: 2 teams of 2 players each

You need: paper, pencils, list of Unit 20 Basic Words

How to play: Teams use pairs of Basic Words in sentences.

1. Each team selects two words from the word list. Then the teams exchange words, telling each other what they are orally.
2. Each team writes a sentence that includes those two Basic Words, without looking at the list.
3. The teams exchange sentences to check for complete and logical sentences and correct spelling. A team earns 1 point for each Basic Word spelled correctly and another point for a sentence that makes sense. The words that have been used are crossed off the list.
4. The game continues until all the words have been used in sentences. The team with the most points wins the game.

Other ways to play this game: Teams write sentences that contain three or more Basic Words. The list may also be expanded to include Challenge Words.
