

**Spelling
Game****Word Money**

Players: 4 players, plus a caller

You need: paper, markers, scissors, pencils, paper bag or other container, list of Unit 26 Basic Words

How to play:

1. To set up the game, cut 20 paper rectangles to use as play money. Label the “bills” in amounts from \$1 to \$1,000. Then write a Basic Word on the back of each bill, and place them in a bag or container.
2. Player 1 draws a bill. Without looking at the bill, he or she hands it to the caller.
3. The caller calls out the Basic Word on the bill, and Player 1 spells it. If Player 1 spells the word correctly, he or she keeps the money. If the spelling is incorrect, the caller keeps the bill.
4. One by one, players take turns drawing a bill and spelling the word. After all bills have been drawn, the player who has earned the most money wins the game.

Other ways to play this game: For an incorrectly spelled word, the caller returns the bill to the bag. Play continues until all words have been spelled correctly.
