

Spelling Game

Word Toss

Players: 4–5 players, plus a caller

You need: beanbag, list of Unit 28 Basic Words

How to play: Players spell Basic Words as they catch a beanbag.

1. The caller holds the list of Basic Words. He or she tosses the beanbag to one of the players and calls out a Basic Word.
2. The player who catches the beanbag must spell the word. If the player spells it correctly, he or she tosses the beanbag to another player. The caller calls out another Basic Word, which the player with the beanbag must spell correctly. Play continues in this manner.
3. If a player spells a word incorrectly, he or she tosses the beanbag back to the caller. The caller then repeats step 1. The goal is to play the game more and more quickly without making spelling errors.
4. After a player has spelled two words incorrectly, he or she must step out of the game. The last player left is the winner.
