Game****Heads or Tails**

Players: 2 players

You need: coin, paper, pencils, list of Unit 29 Basic Words

How to play: Players toss a coin to see whether they spell or lose.

1. Players toss the coin, calling heads or tails, to see which player goes first.
2. Player 1 tosses the coin again. If it lands heads up, Player 2 says a word from the Basic Word list for Player 1 to spell. If Player 1 spells the word correctly, he or she gets 1 point. If the coin lands tails up, Player 1 loses the turn.
3. Then Player 2 tosses the coin. If the coin lands on heads, Player 1 says a word for Player 2 to spell, and 1 point is awarded for a correct spelling. If the coin lands on tails, Player 2 loses the turn.
4. If a player misspells a word, the other player can earn 1 point by spelling it correctly.
5. The game ends when the players have spelled all the words on the list. The player with the most points wins the game.
