What’s the Ending?

Players: 2 players, plus a caller

You need: chalk, chalkboard, eraser, list of Unit 32 Basic Words

How to play: Players determine whether a Basic Word ends in \textit{el} or \textit{le}.

1. The caller calls out a Basic Word.
2. Player 1 writes \textit{el} or \textit{le} on the chalkboard to show how the word ends. He or she then writes the complete word below the correct ending. Then Player 2 takes a turn with another word.
3. Players earn 2 points for each correct ending and 5 more points for correctly spelling the whole word. The game continues until players spell all the Basic Words. Whoever has the most points wins the game.

Other ways to play this game: Players write the endings \textit{el} and \textit{le} on separate index cards. A player holds up the correct ending when the caller says the word and then spells it aloud, winning 2 points for each correct answer.
