

Spelling Game

Syllables in a Row

Players: 2 teams of 3 players

You need: list of Unit 33 Basic Words, paper and pencil for keeping score

How to play: Teams take turns spelling three-syllable words.

1. Team 1 selects a Basic Word and says it aloud.
2. Team 2 spells the word aloud, with each player spelling one of the three syllables in the word, in the correct order. Teams receive 10 points for each correctly spelled word.
3. Then Team 2 selects a word for Team 1 to spell. The game continues until all words have been called out. The team with the most points wins the game.

Other ways to play this game: Players can get 1 bonus point by correctly telling which syllable in a word has the strongest stress when pronounced.
