

Spelling Game

I'm Thinking of a Word . . .

Players: 5 players

You need: index cards, pencils, list of Unit 35 Basic Words

How to play: Players guess and spell words based on clues.

1. Each player selects four Basic Words from the list. He or she writes each word on an index card, being careful not to show it to anyone. Each player thinks of a clue for each word; for example, a clue for the word *money* might be "I'm thinking of a word that has two syllables and one o."
2. Players take turns presenting their clues. Whoever guesses the word first, and spells it correctly, earns 10 points. A player loses 1 point for each incorrect guess or spelling.
3. The game ends after players have guessed and spelled all the Basic Words they selected. The player with the most points wins the game.
