

Spelling Game

It's in the Bag

Players: individual players or 2 teams of 3 or 4 players each

You need: list of Unit 2 Basic Words for each individual or team, scissors, magazines, newspapers, paper bag for each individual or team

How to play: Players cut out pictures that illustrate Basic Words. They then challenge others to identify and spell the words.

1. Scan newspapers and magazines to find photos or artwork to illustrate each Basic Word. Cut out each one, and put it in the paper bag.
2. After pictures have been gathered, teams or individual players take turns. They take a picture out of a competitor's bag, identify the word that the picture represents, and then spell the word correctly. If they succeed, they keep the picture and put it in a pile. If they fail, the picture goes back in the bag.
3. The game continues for ten rounds. At the end of the game, the player or team with the most pictures in its pile is the winner.
