## X's and O's

**Players:** 2

**You need:** 40 cards: 20 cards with a Unit 21 Basic Word on each and 20 cards with a synonym for each Basic Word. The Basic Word cards have a red X on the back. The synonym cards have a blue O on the back.

**How to play:** Players match Basic Words with their synonyms.

1. To begin, all 40 cards are shuffled and placed face down on a table or on the floor.
2. The first player begins by turning over in place one X card and one O card.
3. If the Basic Word on one card matches the synonym on the other card, the player keeps both cards and takes another turn.
4. If the two cards do not match, they are turned face down in place and the other player takes a turn.
5. The game ends when all matches have been made. The player with the most cards wins.
