

Spelling Game

Name That Word

Players: 2–3 teams of 2–3 players each, plus a caller

You need: list of Unit 31 Basic Words, Spelling Dictionary for caller, pencils, paper

How to play: Players identify Basic Words based on definitions.

1. Teams number their papers 1–20.
2. The caller begins by giving a definition of one Basic Word by saying, for example, “Number one: ‘to have or include.’” The caller can refer to the Spelling Dictionary for definitions. The caller also notes the order in which he or she defines the words.
3. Teams decide which word has been defined and write it beside number 1 on their list.
4. The game continues until all 20 words have been defined. The team with the most correct answers wins the game.
