Game****Four Across****Players:** 2–4**You need:** list of Unit 33 Basic Words, pencils, paper, 20 index cards**How to play:** Players compete to fill in a row of Basic Words based on Greek word parts.

1. Before playing, write each Basic Word on a separate index card. Shuffle the cards, and put them in a pile, face down. Each player creates a game board by drawing a chart, with headings as pictured.
2. Player 1 draws a word card. He or she writes that word under the correct heading on his or her game board.
3. Then Player 2 draws a word card and writes that word under the correct heading on his or her game board. Play continues as players take turns drawing word cards and writing the words they draw.
4. The winner is the first player to fill a row across the game board and say, “Four across!” The other players check the winner’s game board to make sure that the words are spelled correctly and placed under the correct Greek word part.
