

Spelling Game

The Real Definition

Players: 2 teams of 3 or 4

You need: list of Unit 13–17 Basic Words as listed in Unit 18, paper, pencils

How to play: Players must choose the correct definition from three choices.

- Each team chooses a word on the list. Players write three different definitions for the word. One is correct, but the other two are completely wrong, although they seem to be correct.
- A team member reads the word and the three definitions. If the other team spells the word correctly and identifies the correct definition, it gets one point.
- The first team to reach ten points wins.
