Spelling Twister

Players: 3–4

You need: Unit 21 Basic Word list, chalkboard, chalk, paper, pencil

How to play: Players create tongue twisters.

- Each player creates a tongue twister using at least four of the Basic Words. For example, “A bashful official had a crucial suspicion.” One player writes his or her tongue twister on the chalkboard. Each player copies it on paper. Then each player must say the tongue twister four times.
- Players take turns until all have created at least one tongue twister for the group to say.

There is an official suspicion that this musician is selfish.
