Players: 2–4 teams of 2 players each

You need: Basic Words from Units 1–5, as listed in Unit 6, graph or lined paper, pencils, timer

How to play: Teams form a word chain of Basic Words.

- Choose a time limit, such as five minutes. On each team, a player picks a Basic Word to begin the word chain and prints it on a sheet of paper. The next player adds a word. It must either begin or end with the last letter of the word preceding it. Words can run up, down, or across.
- Play continues until time is called. The team with the chain containing the most correctly spelled words wins.

Other ways to play this game: If needed, include a short tie-breaker round. Teams must not reuse words from their first word chains.
