

Name \_\_\_\_\_

## An Animal's Needs

### Steps

1. Put the hermit crab home in a safe place. Give the hermit crab water and food.
2. **Work Together** Watch what the hermit crab does. Use words such as **above** and **next** to tell where it goes.
3. **Record Data** Draw pictures. Show how the hermit crab gets what it needs to live.

Name \_\_\_\_\_

## Think and Share

1. **Work Together** Talk with your partner.  
How does a hermit crab use its home?

---

---

---

2. **Infer** What do animals need to live?

---

---

### Ask Questions

Finish this question. How much  
food and water does a \_\_\_\_\_ need?

**Work together** to find the answers.
