# Burned Toast

## Steps

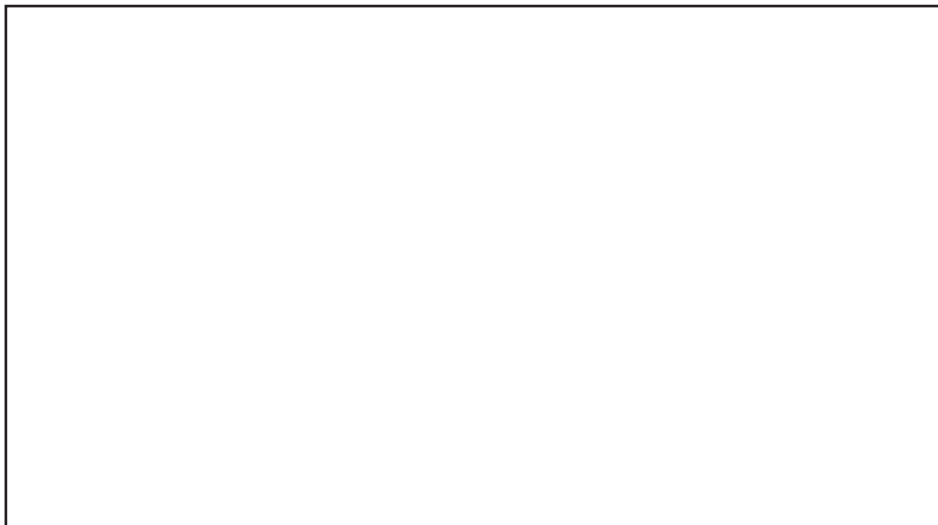

1. **Observe** Look at the toast. Think about how bread looks before it is toasted.

**Safety:** Do not taste the bread!

2. **Experiment** Use the knife to scrape off the top layer of the toast.

**Safety:** A knife is sharp!

3. **Communicate** Draw a picture of what comes off the bread. Share your observations with a classmate.

Name \_\_\_\_\_

## Think and Share

1. How did the bread change when it burned?

---

---

2. **Infer** Can toast be unburned? Why?

---

---

---

---

### Ask Questions

Guided Inquiry

Ask questions to find out what other changes cannot be undone. **Work together** with a partner to find the answers.
