

A Cat's Life Cycle

Steps

- 1. Observe** Look at pictures of a growing cat. See how the pictures are different.
- 2. Use Models** Order the cat pictures from youngest to oldest.
- 3. Communicate** Use the pictures to tell a friend about a cat's life cycle.

Think and Share

- 1. Which picture shows the youngest cat?**

Name _____

2. Compare How does the cat look different in the first and last pictures?
