

Sort Your Trash

Steps

- 1. Classify** Think about what each object is made of. Sort the objects into groups.
- 2. Record Data** Put an index card next to each group. Write a name for the group on each card.
- 3. Write on each card** three ways you could reuse objects in that group.

Think and Share

- 1. Compare** How are the objects in each group alike?

Name _____

2. Infer Why might it be a good idea to use some trash again?
