

# Classify Objects

## Steps

- 1. Classify** Decide how the objects are alike. Sort them into groups.
- 2. Record Data** Name your groups. Write the name of each group on a different card.
- 3. Communicate** Tell how the objects in each group are alike. Write your ideas on the cards.

## Think and Share

1. How did you sort the objects?

---

---

---

Name \_\_\_\_\_

**2. Why might one person's ideas about sorting be different from another person's?**

---

---

**Investigate More!**

**Work Together** Work with a partner. Talk about other ways to sort the objects. How many groups can you make?
