

Compare Sounds

Steps

1. Tie a spoon in the middle of a piece of string.
2. **Observe** Hold the ends of the string to your ears.
Listen as you swing the spoon against a table edge.
Write about the sound you hear.

3. Take the string away from your ears. Listen again
as you swing the spoon against the table edge.
Write about the sound you hear.

Think and Share

1. **Compare** How were the sounds from the spoon different?

2. **Infer** Why do you think the sounds were different?
