

An Animal's Needs

Steps

1. Put the hermit crab home in a safe place.
Give the hermit crab water and food.
2. **Work Together** Watch what the hermit crab does. Use words such as **above** and **next to** to tell where it goes.
3. **Record Data** Draw pictures. Show how the hermit crab gets what it needs to live.

A large, empty rectangular box with a thin black border, intended for students to draw pictures of a hermit crab and its environment.

Name _____

Think and Share

1. Work Together Talk with your partner.

How does a hermit crab use its home?

2. Infer What do animals need to live?

Ask Questions

Guided Inquiry

Finish this question. How much
food and water does a _____ need?

Work together to find the answers.
