

# Compare Rocks

SKE2a, SKCS6b

1.

Heavy	Light

2.

Large	Small

3.

Rough	Smooth

**Directions:** After children have compared the rocks, have them sort them into groups. Children can either draw the group under the correct headings or place the rocks in the space under the correct heading. Then have the children regroup the same rocks, sorting according to rule in row 2 and then row 3.
