

# My Rock Collection

Search your yard, playground, or neighborhood for two different rocks. Then fill in the chart.

<b>Rock 1</b>	<b>Rock 2</b>
Draw a picture.	Draw a picture.
List two properties.	List two properties.
1. _____	1. _____
2. _____	2. _____
How many different minerals can you see? _____	How many different minerals can you see? _____

**Pet Rocks** Only do this if you want to. Collect extra rocks. Smooth rocks work best. Glue them together and paint them to make pet rocks.
