

Section 3 Assessment

Vocabulary

- 1 Which event occurs when the Moon's shadow strikes Earth? Circle the answer.

lunar eclipse

solar eclipse

Eclipses

- 2 Why don't eclipses happen every month?

- 3 Draw what happens during a lunar eclipse. Label the Sun, Moon, Earth. Then shade in the shadow.

Eclipses and Phases

Use the foam ball, your head, and the lamp to model both kinds of eclipses. Then answer questions 4 and 5.

- 4 What phase is the Moon in during a solar eclipse?

- 5 What phase is the Moon in during a lunar eclipse?
