

# Life in Space

**1** Describe some surprises you saw on the space shuttle.

---

---

---

**2** Describe what would happen if you threw a football in space. What would happen to the football? What would happen to you? Why?

---

---

---

**3** How can you play basketball in space? Describe how you could set up the equipment to make baskets.

---

---

---

**4** What would happen if you tried to take a bath on the space shuttle?

---

---

**5** Choose one of the toys in the classroom and explain how it behaves in space.

---

---
