

Planting Seeds

My group's terrarium is number _____.

Fill in the chart like this.

- 1. Seed:** Tape one seed in each box.
- 2. Date planted:** Write the date you planted all the seeds.
- 3. Date sprouted:** Write the date that each kind of seed first sprouted.
- 4. Number of days from planting to sprouting:** Count the days from when you planted the seeds until each kind first sprouted. Write that number in the box.

Name	Clover	Corn	Pea	Radish
1. Seed				
2. Date planted				
3. Date sprouted				
4. Number of days from planting to sprouting
