

# Observing and Planting Seeds

## Description of Seeds

Your teacher will give you four kinds of seeds. Write a short description of each kind of seed and record the seed's size.

Kind of Seed	Corn	Pea	Radish	Wheat
<b>Description</b>				
<b>Size</b>	mm	mm	mm	mm

Mark the terrarium drawing below to show which three kinds of seeds your group will plant and where you will plant each seed. Use Xs to show the first kind of seed, Os to show the second kind, and +s to show the third kind. Write the name of each kind of seed on the key below.

**Key:** X is \_\_\_\_\_ O is \_\_\_\_\_  
+ is \_\_\_\_\_

My group's terrarium is number \_\_\_\_\_.
