same height? _____

Results

Did all the seeds germinate? _____

Did all seeds of the same kind
germinate at the same time? _____

Are all the plants of one kind the same
height? _____

Terrarium Log

Record the date, kind, and number of seeds your group planted. Keep a log describing changes in the terrarium. Write the date each time you record data.

Date	Kind of Seed	Number of plants	Height of tallest plant	Height of shortest plant
